

SENATOR KRISTENSEN: ...get up and down the road, right.

SENATOR VRTISKA: Okay, that's answers my question. Thank you.

SPEAKER WITHEM: Thank you, Senator Vrtiska. Senator Hartnett.

SENATOR HARTNETT: Mr. Speaker, members of the body, Senator Kristensen, can I ask you a question? When you talk about museum pieces, does that include airplanes? (Laughter.) Just humorous, because I've got a few airplanes in a museum that we may have to transport, is all.

SENATOR KRISTENSEN: Well, let me tell you, Senator Hartnett, if you want to move that museum out to Kearney, I will come and get them. Okay?

SENATOR HARTNETT: You will give me your blessing, huh? Okay.

SENATOR KRISTENSEN: Yes, a museum piece is a museum piece, I'm not aware of a statutory definition of a museum piece. I assume it's plain ordinary meaning would be sufficient in the statute.

SENATOR HARTNETT: Thank you.

SPEAKER WITHEM: Thank you, Senator Hartnett. Senator Cudaback.

SENATOR CUDABACK: Mr. Speaker, members, I support the committee amendments. It makes a good bill even better and I appreciate the committee for going ahead and seeing this, to add this word. So I do support the committee amendments and I thank the body for supporting them also.

SPEAKER WITHEM: Thank you, Senator Cudaback. Senator Kristensen, to close.

SENATOR KRISTENSEN: Waive.

SPEAKER WITHEM: Closing is waived. The question is, shall the committee amendments to LB 82 be adopted? All in favor vote aye, opposed vote nay. Record.

CLERK: 29 ayes, 0 nays, Mr. President, on the adoption of the committee amendments.
